

Fact Sheet

- **United for Puerto Rico**, a private non-profit organization founded under the Laws of Puerto Rico in the aftermath of Hurricane Irma, redoubled its efforts and expanded its mission after Hurricane María to support communities affected by both natural disasters.
 - The non-governmental organization is certified by the Puerto Rico Treasury Department and has the 501c3 federal certification issued by the U.S. Internal Revenue Service.
 - The organization was originally conceived by the Office of the First Lady of Puerto Rico, Beatriz Rosselló, and is currently led by the private sector.
- **Mission:** Aid individuals and small businesses devastated by Hurricanes Irma and María to accelerate their recovery by helping meet housing, food and health needs, facilitating that they may rebuild their lives, communities and Puerto Rico.
- As part of its efforts, the organization will focus on meeting the immediate needs of those who lost their homes and property, particularly among the elderly, youth, women head of households, the homeless and the disabled.
- The key objectives of United for Puerto Rico include fund raising for:
 1. Relief efforts for those most in need as they reestablish their most basic needs of shelter, food, and health in coordination with institutions and complementing federal benefits such as FEMA.
 2. Collaborate with non-profit entities that specialize in providing these services and are currently addressing the needs of these groups, since they have the organization and structure to be more efficient in delivering these services.
 3. Aid small businesses in communities with financial aid to help them reestablish operations.
 4. Provide a public education campaign on available federal aid for communities in general and businesses including helping them fill out the claim forms to maximize the assistance available to those most in need.
- **Raised money:** Until **December 31, 2018** United for Puerto Rico has raised **\$41,217,111.69** which are divided into:
 - Founding Fathers: \$ 2,040,557.00
 - Other donations: \$39,176,554.69
